

Linking from ProQuest to Swets using CrossLinks

As you may be aware, ProQuest and Swets Blackwell have formed a strategic partnership that, among other things, will allow you to link directly from citations within ProQuest to the e-journal content serviced from SwetsNavigator.

To do this you must be a valid suscriber to the SwetsNavigator service and ProQuest Local Holdings.

## **Creating links from ProQuest to Swets**

 Go to <u>http://proquest.umi.com/lad</u> and log into your Local Administration account (if you do not have your Local Administration username and password, please contact customer services at <u>customer services@proquest.co.uk</u>)

🖉 Local Administrator - Microsoft Internet Explorer

Accounts Management
<ul> <li>Specify contact information for specific organizations or departments.</li> <li>Determine preference settings for ProQuest features and behaviors for groups of users.</li> <li>Add new users to a contract-defined group.</li> <li>Change an individual user's password.</li> <li>Specify the IP addresses unique to individual computers that can access ProQuest.</li> </ul>
Library Holdings including ProQuest CrossLinks
<ul> <li>Indicate to user Whether an article they find in ProQuest is available in your library.</li> <li>Indicate the format of the articles' availability: CD-ROM, Paper, Microform or Electronic</li> <li>Embed links in ProQuest citations to your other full text electronic resources.</li> <li>Specify notes about the articles or publications.</li> </ul>
🜔 Local Administrator Properties 👘 👘
- Specify your contact information. - Change your Local Administrator password.
🜔 Usage Report
Retrieve ProQuest usage reports that provide you with account-specific details.
O Customized Login
thtp://proquest.umi.com/cgi-bin/lpa?rqt=71

You will see a page with a number of links

- 2. Click on Library Holdings including ProQuest CrossLinks
- 3. On the next page (see over) enter the name of the journal in Swets to which you wish to provide a link (in this instance *Climatic Change*)

**Note** If you see nothing on this page it is because library holdings has not been set up. Please contact ProQuest customer services who will arrange for this to be included in your account.

4		_k.
🎒 Done	🔮 Internet	/

## Edit the URL

Add the following URL to this box

http://www.swetsnetnavigator.com/link/access\_db?issn=<ISSN>&vol=<VOLUME>&iss=<ISSUE>&page=<SPAGE>&FT=1

## URL Label

Add an intuitive description of the URL e.g. Click here to access the full text

## Icon URL

Add the following URL to this box

http://www.swetsnetnavigator.com/images/snn/swetsnet-logo.gif

- 6. Make sure that the box marked **Electronic** has been checked.
- 7. Click on Save at the bottom of the screen

A CrossLink will now be created in your ProQuest subscription

Page 4 of 6

Next time you come across an instance of an article in this particular journal in ProQuest, a library holdings icon m will appear next to the citation article (on the results page).

From here you can access the full text by clicking on either the link (<u>click here to access the full text</u>) or the Swets icon.

A separate window will open and the Swets full text (in PDF format) will be loaded

Currently each journal will need to be added manually using exactly the same procedure as above (all the URLs should remain the same). ProQuest is however, taking steps to automate this procedure.

If you require technical support, please contact <u>tsupport@il.proquest.com</u>.
