Change: It's Okay. Really.

Britannica Editors - March 13, 2012

 [Tweet](#) [Share](#) **986**

That big print set will pass into history, but the future it gives way to will be bright.

For 244 years, the thick volumes of the *Encyclopaedia Britannica* have stood on the shelves of homes, libraries, and businesses everywhere, a source of enlightenment as well as comfort to their owners and users around the world.

They've always been there. Year after year. Since 1768. Every. Single. Day.

But not forever.

Today we've announced that we will discontinue the 32-volume printed edition of the *Encyclopaedia Britannica* when our current inventory is gone.

A momentous event? In some ways, yes; the set is, after all, nearly a quarter of a millennium old. But in a larger sense this is just another historical data point in the evolution of human knowledge.

For one thing, the encyclopedia will live on—in bigger, more numerous, and more vibrant digital forms. And just as important, we the publishers are poised, in the digital era, to serve knowledge and learning in new ways that go way beyond reference works. In fact, we already do.

Encyclopædia Britannica

Encyclopædia Britannica is a global educational publisher with products that promote knowledge and learning. We provide timely, relevant, and trustworthy information and instructional products used in schools, universities, homes, libraries and workplaces throughout the world.

大英百科出版社一直走在数字化进程的前端

如果我的预算只允许我购买一个数据库，我会选择大英百科全书数据库。

—Librarian, China Spring, TX

学生们使用大英百科全书数据库是因为大英百科品牌代表着信赖。它是一个非常棒的资源，内容权威，操作简单。

—Information Services Librarian, South Georgia College

学术版大英百科全书在线，持续发展及完善数字化平台，将传统文章信息与Web 2.0技术相结合。EBOL将自身定位于任何研究项目的起点站... 强烈推荐！

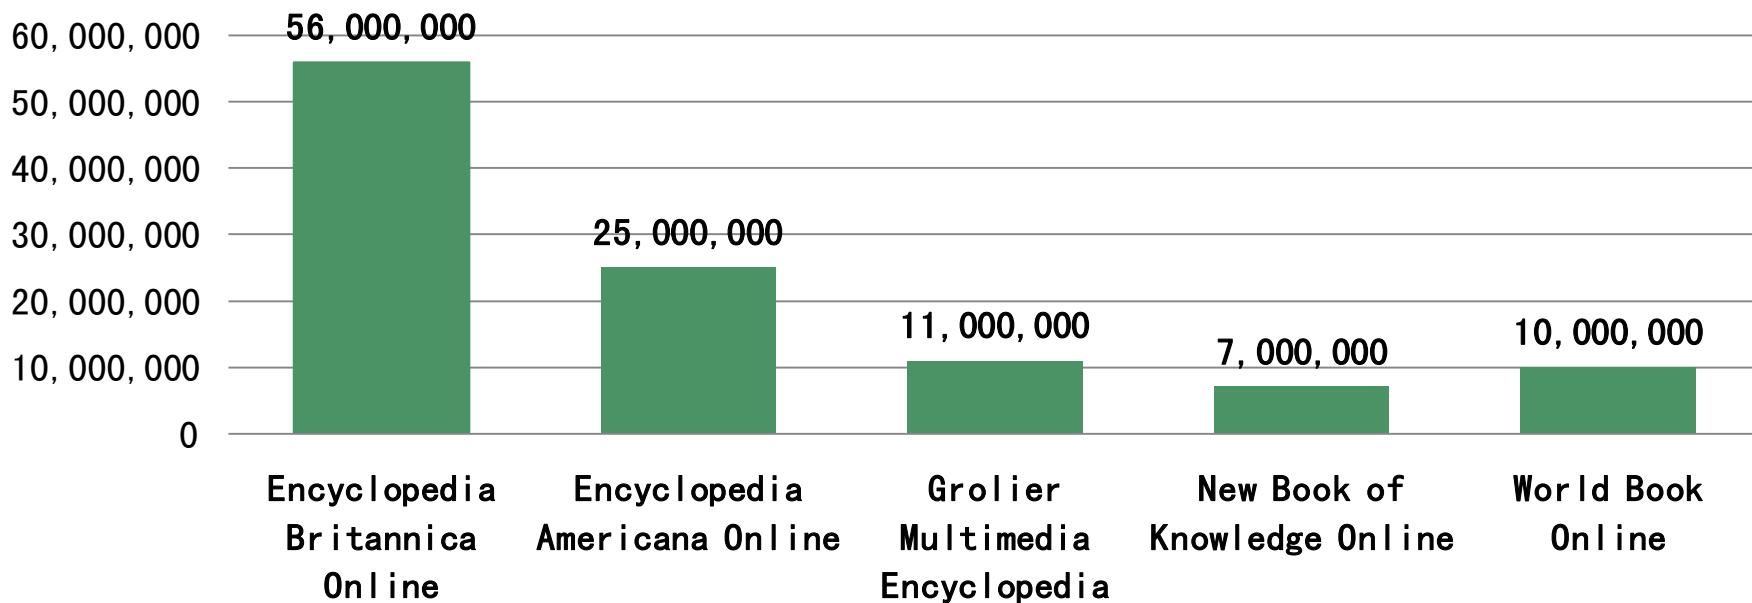

— Choice, September 2009

NEW RELEASES

are a few specific problems with this album. The first is that there's a certain amount of unaccredited borrowing of other tunes on supposedly original compositions, with *Call Me Sweetheart* (which takes much of its melody from Charles Converse' famous one for *What A Friend We Have In Jesus*) and *Can't Live Like That* (which more

Air) of what seems to be every last bit of recorded work. We've seen a band that combine folk, Beatlesque melodies, rock, country and classical elements regroup as an enthusiastic, engaging live act wondering why they ever argued in the first place. This 2-CD set of one of the early reformation shows last year, in their West Country

Where is this content from?

Journals and periodicals are supplied by EBSCO Information Services. These articles appear as they did in the original publication, often as a PDF scan of the original document, and have not been reviewed or altered by the editors of Encyclopædia Britannica. Depending on the publication, the original author may have been stating facts or opinions.

Why is this content at Britannica?

Britannica Online offers a variety of content in addition to the getting too heavily involved in anything in particular—the singer-songwriter/musicians produce music that jangles one minute and rocks the next. One of the album's standout tracks, the restless Mississippi Delta influenced *Give Me Back*
